

1 Introduction

1.1 Mission Statement

Our mission is to provide the highest standard of patient care whilst incorporating a holistic approach toward diagnosis and management of illness.

We are committed to promoting health, wellbeing and disease prevention to all patients. We do not discriminate in the provision of excellent care and aim to treat all patients with dignity and respect.

1.2 Practice background

On the 24th March after over 40 years at the same location we relocated to our new premises at 24 Gloucester Road. The current medical and administrative staff's aim is to continue to provide a high standard of patient and family care to the local community.
